Research participation · choose ONE option before starting

Name: _____ Group: _____ Date: _____

Your answers, scores and essay may be analysed for vocabulary-learning research. Participation is voluntary. Taking the test without participating does not affect your grade. Your name is used for teacher assessment; research reporting will not identify you. You may ask your teacher to withdraw your research data before anonymisation.

[ ] I agree to participate in the research.

[ ] I want to take the test without participating in the research.

RT1 · Evolve 5 · Unit 7

Group 217 · Test Version A

For questions 1–20, choose ONE best answer and shade A, B, C, D or E on the separate ZipGrade answer sheet. Do not write MCQ answers on this question paper. Check the question numbers carefully. Fill in your name and group (Period). Select Version A if using that field. Write the essay on the separate double-sided essay sheet. Mark your research participation choice before starting the test.

Vocabulary and collocations · 1–8

Essay · about 250 words

Choose ONE topic. Write about 250 words (recommended range: 225–275). Consider both perspectives, support your ideas with examples and give a reasoned conclusion. Use your own words. Do not use AI or copy task sentences or the reading preview. General or invented examples are welcome; personal disclosure is not required.

1. Meaningful work matters more than a high salary. To what extent do you agree?

2. Having more choices does not always make people happier. Discuss the advantages and disadvantages of a wide range of choices.

3. Companies should take responsibility for encouraging impulsive purchases. To what extent do you agree?

4. Paying people for small favours can damage relationships. Discuss both perspectives.

Write your essay on the separate essay sheet. Only the research participation box may be filled in on this question paper; use ZipGrade for answers 1–20.
